

FOR SALE in Moray

MG Magnette ZA ENGINE & GEARBOX

1500cc / engine No BP15GA2456

Removed from a vehicle many years ago and stored in a dry shed. I have not seen it running but it turns over freely. All engine numbers are visible and appear to relate to a 50*s vehicle. Would most likely need a strip down and rebuild. Comes with dynamo, distributor & clutch assembly as seen in pictures. Gear box is a four speed synchro appears to be turning freely but no gear stick.

Looking for £ 475 .00 ono but sensible offers considered
